Numerical Index of CAP Forms, Tests, and Certificates

1. This is an index of forms, tests, and certificates currently in effect at National Headquarters Civil Air Patrol. **Shaded areas identify new or revised material.** A pound-sign (#) denotes previous editions may be used.

Copies of forms can be found at: <http://www.capnhq.gov/docs/webregulations/fmsweb.htm>

2. It is CAP's intention that all publications be written utilizing the concepts of gender neutrality. Therefore, except as required due to gender differences (such as in descriptions of CAP uniforms), all references to one gender should be interpreted to apply equally to both genders.

3. Requisition Procedures:

a. Requisition on CAPF 8 (one copy) by mail to:

NHQ CAP/MSAD
105 S. Hansell St Bldg 714
Maxwell AFB AL 36112-6332

or FAX to (334) 953-5296

or on the CAP web site at www.capnhq.gov

b. Semiannual Requisitions. Every 6 months, units should inventory their blank forms and requisition the quantity needed until the next semiannual requisition.

c. Out of Cycle Requisitions. Out of cycle requisitions should be held to an absolute minimum. However, requests may be submitted when required.

d. Local reproduction of CAP forms is authorized and encouraged.

e. Old forms that are superseded by a revised form have a 90-day grace period in which they (old forms) can be used. New forms are annotated on the first page as to the cut-off for using the old forms.

Note: Some 50-series prescribing directives have been converted to 52-series. Reference CAP INDEX 0-2 (E), *Numerical Index of CAP Regulations, Manuals, Pamphlets, and Visual Aids*.
